Transfer Applications & Evaluation of Transfer Credit

Applicants wishing to apply to transfer to the PharmD program from another college of pharmacy must apply as an entry-level applicant through PharmCAS (according to the procedures explained above). The Sr. Associate Dean of Professional Education, in consultation with the Director of Student Services, evaluate transcripts and syllabi of courses completed at an accredited College of Pharmacy. Courses that meet or exceed the University of Minnesota's required courses are waived. The transfer student can request to waive further courses in accordance with the college's [Course Waiver policy](#).
