AGAPE - TC

What do we do:

AGAPE is a Christian group for both non-Christians and Christians who gather together to support one another throughout faith, school, and life journeys. We generally meet every other week to read a passage, discuss, and pray for one another. However, if schedules are super busy, we may go out for lunch or just meet together for encouragement throughout the tough weeks.

What opportunities are available for PD1’s:

Come join us to learn more about God, the Bible, and Christianity. Whether you are already a believer, want to know more about God, or just curious, you are always welcome. We would love to have you join us!

Logistics:

- **Membership dues**: None
- **Average hours per week by members**: 1 hour every other week
- **Average hours per week by group leaders**: 1 hour
- **Membership deadlines/requirements**: No deadlines

Meetings

- **Day of the week**: We send out a poll sometime early September to find a date that works best for those interested
- **Time**: Generally over the lunch hour
- **How often**: Every other week

Contact information:

Terri Kim, PD2, kimx3680@umn.edu
Mission:
- Improve wellness and reduce harmful stress among pharmacy students
- Provide realistic ways to improve wellness and promote balance

What do we do:

Using a Cub Foods grant of $3000 we aim to provide wellness resources and information about how to improve wellness via current pharmacy students facilitating monthly wellness themed events. Students involved in this initiative work to provide advice and applicable resources for current pharmacy school students to ease stress.

What opportunities are available for PD1’s:

PD1’s can join the Balance initiative and become a part of providing wellness resources and advice along with their classmates. Examples:

1) Help decorate the monthly Balance Initiative bulletin board with information about the monthly theme - Purpose/Career, Social, Community, Financial, Physical/Nutrition
2) Help host and develop ideas for monthly themed events (TBD)
3) Help provide insight into ways to ease stress

Logistics:

Membership dues: No membership dues

Average hours per week by members: 1 meeting a month and at most 10 hours a month on activities.
Average hours per week by group leaders: We all work together and we are all leaders within our own wellness topics.

Membership deadlines/requirements: Join any time, but the earlier you join, the more you can influence and do. If there is a wellness topic that particularly interests you, you’d want to get involved before the month of that topic is fully planned. The kick-off event is September 10, and we’d love to have more students involved in making it happen.

Meetings

Day of the week: TBD (over lunch)
Time: (over lunch)
How often: Once a month

Contact information:

Student Leaders: Karlyn Hood (Twin Cities) Email: hood0078@umn.edu and Karla Marz (Duluth) Email: marz0017@d.umn.edu

Facilitators: Peter Haeg (Twin Cities) Email: haegx002@umn.edu; Katie Vukelich (Duluth) Email: vukelich@d.umn.edu
Mission:
To proactively engage student pharmacists and organizations to create a positive student experience.

What do we do:
College board is the student government for the School of Pharmacy. We are a cross campus organization that focuses on bettering student life within the college. We do this in a number of ways, including creating student-focused events and funding student-led projects within the school.

What opportunities are available for PD1’s:
PD1’s can attend general meetings and caucus with their voting representative (the class reps) to express how they think CB money should be dispersed. They can also get involved with any number of our student committees that are in charge of coordinating different aspects of the organization’s goals. If so driven, PD1’s can also propose the formation of new Ad Hoc committees that are given a trial run for a year before deciding if they will become permanent CB committees!

Logistics:

Membership dues: No membership dues

Average hours per week by members: 1 hour

Average hours per week by group leaders: Additional committee meetings as needed. 1 Eboard meeting every other week for eboard members. Additional time as needed depending on involvement in projects.

Membership deadlines/requirements: None. Everyone is a member!
Meetings

**Day of the week:** Wednesday

**Time:** 12:15pm - 1:15pm

**How often:** Weekly

Website: z.umn.edu/umnpcb

Email: Collegeboard.cop@gmail.com
Mission:

The Health of People Everywhere (HOPE) Clinic is a student-run, faculty-supervised educational clinic with the purpose to provide free medical access to the underserved populations of Duluth, especially those of whom reside at the CHUM Center. Through the clinic, medical student and pharmacy student volunteers become aware of the needs of the uninsured, develop interprofessional relationships, and integrate clinical skills to promote health and improve the quality of life for patients.

What do we do:

The HOPE Clinic and its volunteers operate a free, student-run clinic on Tuesdays from 2:30-5:30pm. By partnering with the Duluth medical school, we offer student volunteers a unique opportunity to work directly with other health professionals. We provide walk in service and do not require an appointment to be seen. Our services are free and, in addition to providing acute medical care, we work with patients toward establishing primary care in the community, provide access to transportation services if needed, and maintain access to pharmaceuticals.

What opportunities are available for PD1’s:

Beginning spring semester, PD1’s are able to volunteer at the clinic, providing health services to the underserved populations at Duluth. Clinic shifts give pharmacy volunteers the opportunity to practice important clinical skills with real patients. These skills include: taking patient blood pressures, testing patient’s blood sugar/A1c, obtaining an accurate medication list through patient interviews, and identifying potential drug therapy problems. Applications for leadership positions open in October; more information will be provided at this time.
Logistics:

Membership dues: $0

Average hours per week by members: 2-4 3-hour Clinic shifts each semester

Average hours per week by group leaders: 2-3 hours

Membership deadlines/requirements: New volunteers must attend an orientation session during the fall semester, date to be determined. Volunteers are then scheduled for 2-4 shifts each semester. The number of shifts assigned depends on personal availability, as well as the number of volunteers available each semester.

Meetings (Board members only)

Day of the week: Thursday

Time: 7-8am

How often: Weekly

Contact information:

Nathan Bjerke bjerk127@umn.edu
Interprofessional Development Student Organization - DL

Mission:

Our mission is to create more opportunities for students to learn about the experiences of other professional students while giving them the chance to advocate for their future career. Our goal is for students to create their own network with other professionals while learning the importance of collaboration with people outside of their programs. This will promote the qualities that make for excellent professionals while facilitating opportunities to appreciate others’ careers.

What we do:

Our student organization aims to create connections between health field related graduate students in the Duluth area, including pharmacy, occupational therapy, physical therapy, social work, and even nursing students at St. Scholastica. IDSO was founded in 2017, and so far we have participated in children’s health fairs, as well as put on the MINE (Multicultural Interprofessional Networking Event) event to showcase interprofessional connections as well as recognize minority health month in April. More information can be found on our UMD page: [https://bulldoglink.d.umn.edu/organization/idso](https://bulldoglink.d.umn.edu/organization/idso), as well as our Facebook page: [https://www.facebook.com/groups/1997840017098913/](https://www.facebook.com/groups/1997840017098913/). We hope to continue these endeavors moving forward this year with continued participation in health fairs, interprofessional networking events, educational sessions, and increase participations across disciplines.

What opportunities are available for PD1’s:

- Participate in health fair opportunities
- Join us for community service activities and also educate others about your health field
- Help promote and participate in interprofessional social events and activities (game night, happy hour discussions, lectures, etc)
- Make networking connections with other health care professional students
- Opportunities to present topics about your profession that you think others should know - share experiences
Logistics:

Membership dues: No membership dues

Average hours per week by members: 0-2 hours

Average hours per week by group leaders: 1-2 hours

Membership deadlines/requirements: No membership deadlines

Meetings

Day of the week: No weekly meeting currently

Contact information:

Tuyen Nguyen PD3

Email: nguy3075@d.umn.edu
Mission:

The mission of Kappa Epsilon is to empower its members to achieve personal and professional fulfillment by developing their confidence, self-esteem, interpersonal skills, and leadership vision while representing the interests of the membership to healthcare professionals and the community-at-large.

What do we do:

Our focus is to enhance your time at the college of pharmacy with respect to your outside commitments. Kappa Epsilon was founded for women in pharmacy, our goals still align with empowering women to advance the field of pharmacy. Our chapter goals are to provide opportunities to support the community, especially with our partnership with the Theresa Living Center, Feed my starving children and Second Harvest Heartland.

What opportunities are available for PD1’s:

This year we have a few positions on our e-board still open including Historian and fundraising chair. We are a small organization and there is a lot of opportunities to contribute and lead even in the first year.

Logistics:

- **Membership dues:** 110 dollars
- **Average hours per week by members:** 2-3 hours depending on commitments
- **Average hours per week by group leaders:** 4-6 hours depending on activities planned
Meetings

**Day of the week:** Tuesdays

**Time:** 12:05-1:15 (over the lunch hour)

**How often:** Every other week

Contact information:

Kate Humrichouse: [humri006@umn.edu](mailto:humri006@umn.edu)

Kappa Epsilon: [kappaepsilona@gmail.com](mailto:kappaepsilona@gmail.com)
Mission:

Kappa Psi Pharmaceutical Fraternity is an organization committed to advancing the profession of pharmacy (educationally, fraternally, and socially). Our objective as an organization is to instill industry, sobriety, fellowship, and high ideals in its members, and to foster scholarship and pharmaceutical research. Delta Psi is the Duluth chapter of Kappa Psi.

What do we do:

Our organization plans social events to get to know your fellow peers in pharmacy; we promote philanthropy in the community through events like the Polar Plunge, and nationally through our partnership with Reach out and Read. We have diverse activities throughout the year to elevate your pharmacy school experience - socially, personally, and professionally. We provide opportunities to travel regionally and nationally to conferences, while also providing leadership opportunities right here on campus, all while creating close bonds with fellow brothers.

What opportunities are available for PD1’s:

For PD1s, you are welcome to become a brother of Kappa Psi (in the fall or spring!), which is your key to getting involved as much as you’d like in event planning and participating. Near the end of the year, PD1s are able to run for leadership positions in the chapter - but there are plenty of opportunities to get involved before then! Whether volunteering with brothers at Adopt-A-Beach on Lake Superior, or serving on a committee to help plan our formal, White Coat Ball, there are many ways to get involved!

Logistics:

Membership dues: $60 per semester

Average hours per week by members: 1-3 (depending on event schedule)

Average hours per week by group leaders: 4-6 (depending on schedule)

Membership deadlines/requirements: Rush - happening now through September 17th (Commitment Day). Further deadlines/requirements will be shared at our open meeting and during the pledge process!
Meetings

Day of the week: Tuesday

Time: 12:15-1:15pm (over the lunch hour)

How often: Weekly (first Tuesday of the month off)

Contact information:

Melanie Breuer, President
breue018@d.umn.edu

Jesse Skogstad, Vice President
skogs02@d.umn.edu
Mission:

The objectives of Kappa Psi include:

- To conduct a professional fraternal organization for the mutual benefit of its members;
- To develop industry, sobriety, and fellowship;
- To foster high ideals, scholarship, and pharmaceutical research;
- To support all projects which will advance the profession of pharmacy and to actively participate in them;
- To inspire in its members a deep and lasting pride in their Fraternity and in the profession of pharmacy;
- To render such other services to its members and its profession feasible and in accordance with the constitution and bylaws of the Fraternity.

What do we do:

- STI talks at local schools
- Phillips Neighborhood Clinic dispensary
- Cooks for Kids at the Ronald McDonald House
- C.A.R.E. for Haiti spring break trip
- Camp Superkids volunteering
- Kidney Early Evaluation Program with the National Kidney Foundation
- JDRF walk, Light the Night walk, etc.
- Province and national Kappa Psi events for networking
- Social events with graduates and collegiates

What opportunities are available for PD1’s:

PD1s can participate in all of the opportunities listed above! We encourage full involvement from all of our members, and there are many opportunities for leadership within our organization and on the national level.

Logistics:

**Membership dues:** Pledges: $108/year; Brothers: $144/year

**Average hours per week by members:** 1-2 hours
Average hours per week by group leaders: 2-4 hours

Membership deadlines/requirements: Attendance at the commitment meeting in fall semester (Date TBD), then one fundraising event, all commitment meetings, all general meetings, informal initiation and formal initiation. After pledging brothers are required to attend 50% of business meetings each semester, as well as participate in at least 1 professional and 1 fundraising event each semester.

Meetings

Day of the week: Tuesdays
Time: 5:45pm
How often: 4 times in fall semester, 8 times in spring semester

Minnesota Pharmacy Student Alliance (MPSA)

Mission:

MPSA is committed to the advancement of our profession & the development of student pharmacists by providing extracurricular opportunities that foster professional engagements.

What do we do:

MPSA is an umbrella-structure organization that unites all professional development interests for pharmacy students in Minnesota. MPSA is an alliance of 11 professional pharmacy organizations (local, national, and global) and houses 13 patient care projects. This unique structure fosters strong collaboration that exposes student pharmacists to many facets of the pharmacy profession through general meetings, individual organization meetings, and local/national conferences. MPSA strives to advance the pharmacy profession and model its future by providing opportunities for students to provide patient care and education to our community. In addition, an optional Pathways + program allows students to explore and learn more about different areas of pharmacy, with a cord awarded at graduation for each pathway completed.

What opportunities are available for PD1’s:

MPSA members can volunteer at health fairs, provide point of care testing (such as blood pressure screenings and blood glucose testing), attend professional meetings, panels, workshops, and attend organization conferences all around the country (and world!), to grow as a leader in pharmacy.

Logistics:

Average hours per week by members: Varies depending on how active you choose to be in MPSA! Anywhere from 1 hour every week for meetings to many hours for involvement in patient care projects & individual professional organizations.

Average hours per week by group leaders: Varies based on role and commitment.

Membership deadline: September 21st

Membership dues:

Base fee (5 included professional organizations + 1 optional organization) = $105
- Included organizations:
  - American Pharmacists Association-Academy of Student Pharmacists (APhA-ASP)
  - Minnesota Pharmacists Association (MPhA)
- Minnesota Society of Health-System Pharmacists (MSHP)
- American Society of Consultant Pharmacists (ASCP)
- International Pharmaceutical Students’ Federation (IPSF)

Optional professional organizations: One is included in your base registration, but you may register for as many optional orgs as you want for the additional costs below
- American College of Clinical Pharmacy (ACCP) = $40
- Academy of Managed Care Pharmacy (AMCP) = $45
- American Society of Health-System Pharmacists (ASHP) = $50
- Industry Pharmacists Organization (IPhO) = $50
- National Community Pharmacists Association (NCPA) = $50
- Student Commissioned Officers Association (SCOA) = $35

Additional requirements:
- Must attend MPSA-provided training to give point of care testing at health fairs
- Cannot give vaccinations until P1 year is completed
- Some organizations hold additional meetings outside of general meetings (none required unless you are in a leadership role)
- Pathways + program has required tasks to complete to receive a cord at graduation. More details to come with membership sign-up.

Meetings:

Day of the week: Monday (though the first 3 meetings for ‘18-’19 school year will be on Thursdays: 8/30, 9/6, and 9/13)
Time: Lunch hour (12:15-1:15)
How often: Weekly
**Dates and times are for general meetings only, additional professional organization meetings vary**

Multicultural Pharmacy Student Organization (MPSO) Duluth

Mission:

The Multicultural Pharmacy Student Organization (MPSO) is dedicated to addressing how diversity impacts us as students and professionals. MPSO also serves as a group where students can feel welcome, regardless of background. MPSO is **FREE** to join and everyone is invited to join.

Benefits include: Professional and personal growth, leadership opportunities, fun conversations, and the chance to meet some amazing people.

What do we do:

- Health fairs in underserved communities
- Frequent pot-lucks
- Game nights
- Themed fundraising events
- Interprofessional collaboration with other organizations

What opportunities are available for PD1’s:

Everything we do is available for PD1’s including leadership opportunities. We train PD1’s to be active participants in health fairs. We encourage learning and involving PD1’s in the leadership roles and opportunities that arise. Our organization is proud to be inclusive for ALL people.
Logistics:

Pay It Forward

Mission:

The main goal of our student group is to plan and host the Pharmacy Gala that occurs annually to raise money to benefit the Michelle Mentzer Scholarship. Michelle was a pharmacy student who lost her battle with cancer during her first year at the College. Although this is our main goal for the group at this time, we hope to pursue other philanthropic projects in the future.

What do we do:

We plan and coordinate the Pharmacy Gala, which responsibilities include; fundraising, applying for grants, organizing the venue, and channeling creative abilities through theme selection and decorations.

What opportunities are available for PD1’s:

- Help with planning (decorations, food and theme selection, etc.)
- Assist with setup on Gala day
- Fundraising
- Ticket sales

Mission:

To support leadership commitment by recognizing leaders and fostering leadership development.

What do we do:

Throughout the school year, we offer workshops on professional discussion topics, foster leadership throughout the College, and provide opportunities for student recognition and networking.

What opportunities are available for PD1’s:

As a PD1, you can get involved by attending our workshops and getting to know current PLS members. Throughout your first semester, continue developing yourself as a leader in the profession of pharmacy. In October, receive a nomination from a current PLS member and apply to be a member of our organization.

Logistics:

  **Membership dues**: $90 initiation fee
  **Average hours per week by members**: less than 1 hour
  **Average hours per week by group leaders**: 2-3 hours
  **Membership deadlines/requirements**: application to become a member will be released in early October

Phillips Neighborhood Clinic - TC

The mission of Phillips Neighborhood Clinic is three-fold:

- We will increase accessibility of comprehensive, patient-centered, quality health services to patients with unmet need
- We will develop compassionate, culturally sensitive future health professionals in an interprofessional, team-based learning environment
- We will support community partnerships and promote overall health and wellbeing in the communities we serve

What do we do:

- Provide free medical care and medications to underserved populations in the Phillips neighborhood of Minneapolis at a student-run free clinic
- Work with over 10 other professions, including medical, dental, nursing, medical lab sciences, social work, physical therapy, nutrition, law, occupational therapy, and audiology
- Improve our patient care skills while improving accessibility to healthcare for uninsured and underinsured patients

What opportunities are available for PD1’s:

- Volunteer in clinic in a first-year role before transitioning to a clinician role in 2nd and 3rd year. Patient care lead, Spanish interpreter, reception, community health worker, and lab volunteer are all open to first year pharmacy students
- Volunteer in the dispensing pharmacy (Kappa Psi members/pledges only)
- Volunteer with clinic immunizations (PDX members after immunization certification only)

Logistics:

**Membership dues:** No membership dues.

**Average hours per week by members:** 0-4 hours, about 1 clinic shift per month plus 2-3 outreach shifts per semester

**Average hours per week by group leaders:** 2-10 hours, depending on position. Over 60 leadership positions are available!

**Membership deadlines/requirements:** Applications open August 27th and are due by September 19th. An Open House will be hosted at the clinic on September 11th. Interviews will occur September 20-28, and new volunteer orientation will be on October 13th.
Meetings

**Day of the week:** Clinic is open Mondays and Thursdays at St. Paul's Lutheran Church, 2742 15th Avenue South, Minneapolis, MN

**Time:** 6-9 PM (volunteers arrive between 4:45 and 5:30 PM and leave around 10 PM)

**How often:** Every week year-round

Public Health Advocacy Student Alliance (PHASA)

Mission

“Empowering students to improve health disparities through policy and advocacy measures”

What do we do

PHASA is an interprofessional organization of healthcare students working together to understand how advocacy and policy can benefit the lives of our future patients as well as public health on a global scale.

*We do this by influencing legislation.*
During the 2018 session, PHASA created legislation that made it to the governor's desk. The legislation would increase access to medications for patients in need while reducing medication waste.

*We do this by inspiring leadership.*
PHASA brings leaders from various professional and personal backgrounds together at Leadership Panels throughout the year to share their stories and inspire students. Come hear their tales of success, failure, and learning along their leadership journey.

*We do this by voting.*
PHASA organizes multiple Get-Out-the-Vote campaigns during election cycles, including Fall 2018. Join us and let your voice be heard!

What opportunities are available for PD1’s

There are multiple opportunities in the Get-Out-the-Vote campaign and related to the medication repository legislation.

There are opportunities to meet with legislators and many high-level professionals as we work to build the connections needed to start a medication repository within Minnesota. It is an amazing way to network and to see many different healthcare disciplines.
There are many leadership positions (communications, treasurer, liaison, government relations assistant) available. Applications for leadership positions will open after our first general meeting.

PHASA values innovation and personal leadership. You can create your own position here. If you are interested in running a public health or advocacy project, we want to support you using the resources we have.

Logistics

**Membership dues:** No membership dues

**Average hours per week by members:** 0-3

**Average hours per week by group leaders:** 1-3

**Membership deadlines/requirements:**
- Deadline to join: October 1, 2018
- Join by submitting a membership form: [https://goo.gl/forms/PTRFQzIwJpeOHkEr1](https://goo.gl/forms/PTRFQzIwJpeOHkEr1)
- General members are required to complete one task per semester. The task should only take an hour or two.

Meetings

**Day of the week:** Rotates

**Time:** 12:15-1:25 PM

**How often:** Two per semester

Founder/Government relations: Rowan Mahon [mahon353@umn.edu](mailto:mahon353@umn.edu)
Mission: Per the 2018 Rho Chi Society National Bylaws

➢ “The Rho Chi Society will achieve universal recognition of its members as lifelong intellectual leaders in pharmacy. As a community of scholars, the Society will instill the desire to pursue intellectual excellence and critical inquiry to advance the profession.”

➢ The Rho Chi Society, Pharmacy’s academic honor society, encourages and recognizes excellence in intellectual achievement and fosters fellowship among its members. Further, the Society encourages high standards of conduct and character, and advocates critical inquiry in all aspects of pharmacy.”

What do we do:

➢ Organize the Rho Chi Initiation Banquet
➢ Staff the Pharmacy Tutoring Center in the student lounge on both the Twin Cities and Duluth campuses
➢ Develop and sell educational resources such as pharmacokinetics and lab value cards
➢ Rho Chi Research Symposium
➢ Order Rho Chi graduation cords
➢ The Rho Chi Society’s 2019 Annual Meeting will be held in conjunction with the American Pharmacists Association Annual Meeting in Seattle, Washington, March 22-25, 2019

What opportunities are available for PD1’s:

An offer of Rho Chi Mu Chapter membership is extended to full-time University of Minnesota College of Pharmacy second-year students who are in good academic standing, who have completed the first three semesters of the PharmD program, and who fall within the top 20% of ranked students from their class based on their pharmacy school grade point average.
Logistics:

Membership dues: In 2018, the membership fee was $65. The membership fee is paid to the local Rho Chi chapter and then forwarded to the National Rho Chi Office. This cost includes a lifetime Rho Chi membership, a Rho Chi keypin, and a membership certificate.

Average hours per week by members: 0 hours

Average hours per week by group leaders: 1-10 hours

Membership deadlines/requirements: Offers of membership are extended to qualified students in January of the student’s second year of pharmacy school. The Rho Chi Initiation Banquet is typically held in March or April.

Meetings

Day of the week: varies

Time: varies

How often: The Rho Chi Executive Board is elected each Spring. Mandatory Executive Board meetings are held several times yearly on an as-needed basis.

UMD PharmD - DL

Mission:

The organization performs community projects that will help Duluth pharmacy students grow as professionals; educates people about the pharmacy profession; and organizes student activities to help pharmacy students grow as colleagues.

What do we do:

UMD PharmD is an organization that provides numerous opportunities for student leadership and the student body through social events. These social events promote and develop interprofessional communication and connections among our pharmacy colleagues.

- Crackers & Cheese Night (September)
- White Coat Boat (October)
- Cribbage Tournaments
- Bowling Night
- Team Olympics
- End-of-Year Train (May)
- Various fitness group activities
- ... and many more!

What opportunities are available for PD1’s:

PD1 students are encouraged to join UMD PharmD for a small membership fee that allows free access to numerous social events throughout the year. A PD1 representative is elected in September who will act as an advocate and liaison for the class as well as provide input on all UMD PharmD events.

Logistics:

Membership dues: $20

Average hours per week by members: N/A

Average hours per week by group leaders: 1-2 hours

Membership deadlines/requirements: Membership fee of $20 due September 16th
(You do not have to be a member to attend UMD PharmD events, however, there is a small attendance fee for non-members.)
Meetings

No meeting requirements. Most E-Board communication is done via messaging. We will have an informal meeting in August that is open to all Duluth pharmacy students.
