

**SUPPLEMENTAL APPLICATION**  
**Social & Administrative Pharmacy Graduate Program**

Please answer the following questions and submit them directly to the Graduate School via the ApplyYourself online application under Supplementary Application Questions. Complete this form using the space provided, save the document to your computer; then upload to the Graduate School site. Each question provides space for a 2000 character (approximately 300 word) response. Please use only the space provided. No applications will be considered until all materials requested by the Graduate School and the Department are received.

1. Why are you interested in pursuing graduate education in Social and Administrative Pharmacy (SAPh) at the University of Minnesota?

2. What current and/or past experiences have uniquely prepared you for this graduate program?

3. What impact do you hope to have on society, the healthcare system, and/or patients? How would completing the SPh graduate program help you achieve these goals?

4. If you had to choose one issue that you want to solve successfully with the knowledge you acquire in this graduate program, what would that be?

5. As an interdisciplinary program, SPh graduate students are sometimes exposed to viewpoints and theories that differ from their own. What underlying principles and strategies are important to ensure diversity and inclusivity when working as a member of a group or team?

6. Describe a time when something you were working on did not go as planned. What strategies did you use to overcome these challenges? What did you learn about yourself through this experience?
